## ANNOUNCEMENT—

### Rich Reynolds is moving to Country Ford

As most of you know, Dave and I have been friends and partners at Heritage Ford for the last several years. It has been a great working relationship and continues to be a terrific friendship.

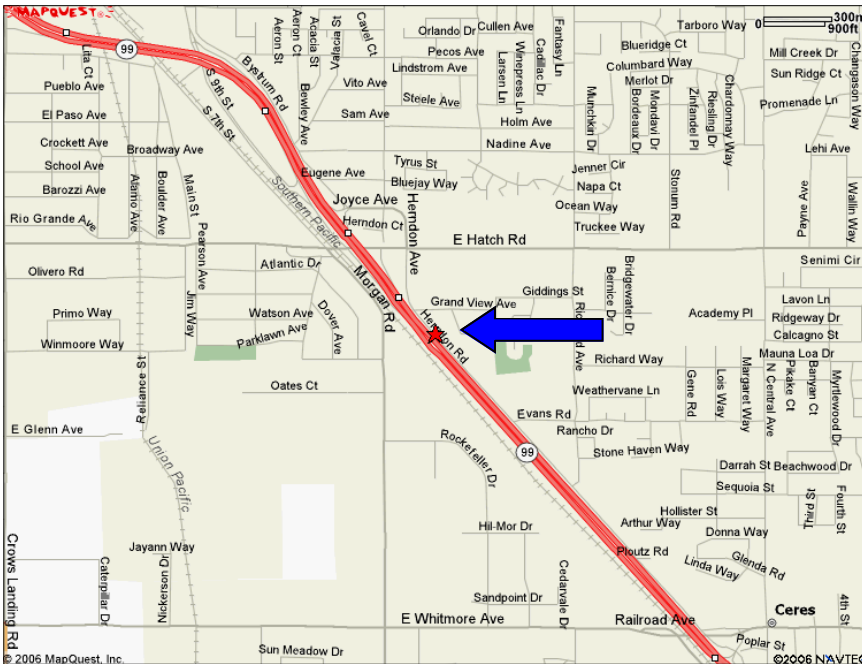

To Dave's Customers— Dave is remaining at Heritage Ford and will continue to work with his customers as he always has. His phone is 209-343-5225.

To My Customers— I am moving to Country Ford effective 05/01/2006. If you are one of my customers, I would like to continue to service your needs as I always have. Call me at 209-380-4932.

Country Ford specializes in new and used Ford Trucks (Ranger-F750), Vans and SUVs. (Sorry no cars. You should call Dave for those.) They offer Oil Changes For Life, a large inventory of work vehicles ready to work for you, a full staff of truck service specialists, and the same great deals you expect from me.

Directions— From the intersection of 99 and Hatch Road at the south edge of Modesto, go east on Hatch to the service road (Herndon Rd) then south on Herndon to Country Ford.
